The three Baltic states of Lithuania, Latvia and Estonia offer a wealth of interest to the visitor and now is a great time to visit before they become overdeveloped. The three capitals of Vilnius, Riga and Tallinn each offer a distinctive character, each with an old town dating back to medieval times, whilst the warm welcome you will receive is common to all three.

Our tour includes a stay in each city with transfers between each by coach, allowing time to see the surrounding countryside, including visits to Pilsrundale Palace and the seaside spa town of Parnu. Estonia's capital, Tallinn has a beautiful old town, a World-Heritage designated site, Latvia's Riga has a wonderful mix of old and splendid Art Nouveau, whilst Lithuania's Vilnius boasts Europe's largest Baroque old town.
